Confirmation was obtained in Wash-
ington last week of the report that
Secretary Bryan will oppose the re-
nomination of Woodrow Wilson in 1916.

More than 7,000 persons, representing
North Carolina, Tennessee, Virginia
and Kentucky, gathered at Cumberland
Gap Wednesday to participate in the
unveiling of a monument commemorat-
ing the entry of Daniel Boone and the
first party of pioneers into Kentucky.

The United States is seriously con-
sidering taking over the Sayville wire-
less plant, which has direct communica-
tion with Germany, through fear of
neutrality violations. Investigation
has shown that it is possible to com-
municate with submarines across the
Atlantic through this powerful plant.

"This is your street in your city,"
reads a sign posted by the New York
street cleaning department. "Keep it
as clean as your room in your house."
An exacting request, but a good motto
for any section of any city. Too many
citizens, old and young seem to think
that their obligations of neatness and
cleanliness end at the front gate.

Desperate conditions in Mexico City,
with unchecked mobs rioting and loot-
ing have been described in dispatches
cabled to the United States Govern-
ment from Vera Cruz by a courier, who
left the Mexican capital Friday, June
25. No mention was made of attacks
upon foreigners, so officials assumed
that they were safe. Many stores had
been looted, the dispatches said, and
great mobs were rioting and seizing
food wherever it was to be found.

PROTRACTED MEETING.

Our protracted meeting at Forks of
Dix River Church will begin the first
Sunday in August, Rev. J. W. Beagle
of Hustonville will assist the pastor.

CLEARANCE SALE.

On another page of this issue appears
a full page advertisement, announcing
the July Clearance sale of Mr. J. W.
Smith. This "House of quality" is
noted for its up-to-date and clean stock
of goods and the prices that are being
offered during this sale should soon re-
duce his stock to a minimum.

AT METHODIST CHURCH.

Mr. S. H. Pollitt, who is now in a
meeting at Spears Chapel, in Jessa-
mine county, says that Rev. Claude
Fawns will fill his pulpit here next
Sunday morning. Brother Pollitt has
recently closed a fine meeting at Car-
terville, with a number of conversions.
While it rained most every day during
the meeting the church was always
crowded and the best attention was
given by those present.

Beginning at the Methodist church
next Saturday week, Elder W. E.
Arnold will speak that night and the
following Sunday morning. This will
be the last quarterly conference of the
year and the entire membership is
urged to be present at these meetings.

ONE RESULT OF THE WAR.

An attempt against the life of J. P.
Morgan, head of the firm of J. P. Mor-
gan & Co., financial agents of the Brit-
ish Government, and the explosion of a
bomb in the Capitol building at
Washington are two of the dramatic
incidents growing out of the European
war. Mr. Morgan's assailant, Frank
Holt, an American of German descent
and a teacher of languages, in explain-
ing his visit to Mr. Morgan said it was
for the purpose of having him end the
European war. Holt has confessed that
he was responsible for the explosion in
the Capitol building—this with the ob-
ject of bringing "to the attention of
the American people the terrible mur-
ders being committed in Europe." Mr.
Morgan is suffering from two bullet
wounds, the gravity of which is known
only to the attending physicians, but
they announce that the bullets do not
involve any vital organ.

A PAYING AUTO.

If everybody got as much actual and
valuable service from an automobile
as does James Hatcher, the mail car-
rier between Lancaster and Danville,
the buzz buggies would prove profitable.
Mr. Hatcher not only makes his round
trip every day, but frequently carries
passengers to other points after his
regular work is done. He can put more
passengers and packages in his car
than can be carried in a railway coach,
all going in comfort. He runs like a
scooped rabbit, but never has an acci-
dent. His wife is really a better driver
than Jim, and the two are about the
busiest people we know.—Danville
Messenger.

PROGRESSIVE MEETING.

There will be a meeting of the Pro-
gressives of Garrard county on July
17th 1915 at three o'clock in Lancaster.
All progressives and those interested
are urged to attend.

G. M. Patterson, Chairman
of the Progressive Co. Com.

Mr. W. V. Gastineau, one of the best
hog raisers in the county recently sold
to V. A. Lear, 98 head of hogs that
averaged 242 pounds each, for 71 cents
a pound. Mr. Gastineau has over 100
head still on his farm that will be ready
for market in the early fall. W. R.
Burton bought twelve head of horses
and mules at Richmond last Monday at
an average of \$125 to \$140 a head. He
also bought 11 head of mules in Stan-
ford, that average from \$115 to \$140.

REPUBLICANS

Put Out County Ticket.

At a meeting called by the chairman
of the republican county committee
last Saturday, a full ticket was launch-
ed to oppose the democratic ticket in
this county in November. Since the
announcement of Judge L. L. Walker,
for Lieutenant Governor, quite a num-
ber offered themselves for slaughter,
but the ticket as finally made up is as
follows: For Circuit Court Clerk, Joe
A. Burnside; for Sheriff, Joe Ham-
monds, with Henley V. Bastin as deputy
and for Representative, Joe S. Hasel-
den.

NEW SOFT DRINK AND LUNCHEONETTE.

Mr. Harry Ware will in the next few
days open up a new soft drink and
luncheonette room in the room adjoin-
ing the Roman's Opera House. The
new soda fountain, which has been
shipped, will arrive to-day and Harry
tells us he hopes to be open by the
middle of next week. Everything will
be new, sanitary and up-to-date and we
wish him much success in his new en-
terprise.

HUERTA SALUTES

FLAG AT LAST.

Squatting at a window of his im-
provised prison at Ft. Bliss, Texas, in
his shirt sleeves and using an old copy
of an army order with which to fan
himself, General Victoriano Huerta
watched the ceremony of trooping the
colors at the United States army post
last Sunday afternoon and stood at at-
tention when the colors that he once
refused to salute were furled for the
day of the national air.

As the colors billowed from the
masthead, the aged general stood at
attention like a manikin, his heels
clicked together, and delivered that
long-delayed salute, the refusal of
which had almost plunged his country
and the United States into warfare.

IMPORTANT MEETING

Of Commercial Club To-Night.

Every member of the commercial
club and every citizen interested in the
betterment of the town and county are
urged and requested to attend the
meeting of the club to-night. The
meeting will be held over store room of
the Joseph Mercantile Co. All busi-
ness concerns, whether great or small,
should be represented in the Commer-
cial club. Good ideas are often advan-
ced by the little fellow, and sometimes
are very large in furthering big busi-
ness.

There should be a concerted pull by
everyone in one direction, for the good
of Lancaster and Garrard county, not
what is there in it for you individually,
but team work for the greatest prog-
ress for the city and county's develop-
ment. Arrangements are being made
to have meet with the Commercial club
next Thursday night, July 15th. Mr.
Edward A. Quarles, secretary of the
Board of Commerce, of Lexington, Mr.
Robert M. Allen and Mr. Charles D.
Bohannon, of Agriculture Experiment
Station, of Lexington, all of whom are
high up in the commercial world and
will be prepared to give some interest-
ing talks as to the advantages to be
derived from a Commercial club. The
latter two gentlemen will have some-
thing of interest to say to the farmers
of the county and it is to be hoped that
they will come out on this occasion.
Remember the date, Thursday night,
July 15th, at the school Auditorium.
More details will be announced in our
next issue.

TWENTY AMERICANS MISSING

A German submarine shelled, torpe-
doed and sunk the Dominion Line
freight steamer Armenian off the coast
of Cornwall England, Monday night,
and as a result twenty Americans are
among the missing. The Armenian,
flying the British flag, carried a cargo
of mules from Newport News, Va., and
twelve of the missing Americans are
negro seafarers. The other eight are
whites, hailing from various parts of
the United States.

No tension or apprehension exists in
Washington as a result of the sinking
of the Armenian and the loss of Ameri-
can life because the ship is recognized
as a possible transport of a belligerent
Power subject to the natural hazards
of war and it was essentially a cargo
carrier of distinct contraband, and as
all the facts are not at hand Washing-
ton prefers to await possible evidence
that the Armenian resisted or tried to
escape from the submarine, thus pre-
venting opportunity for seizure and
search.

BAPTIST CHURCH

May Call Rev. A. J. Clerc.

Rev. A. J. Clerc, of Georgetown,
who preached at the Baptist church
here last Sunday morning and at the
Union services at the school Auditorium
the same night, will preach again for
Baptist congregation next Sunday
morning. Dr. Clerc made a decided
and favorable impression on the con-
gregation and it is probable that this
church may call him. He is a very
fluent speaker and has been on the
Cleveland Lyceum Bureau as a lecturer
for some time. They have this to say
of him in their recommendation of him as
a lecturer: "He has sincere convic-
tions and heroic courage to defend
them. He has a message worth while
for both old and young, and preaches
the gospel of humanity, sunshine and
tentiment."

LITTLEJOHN'S

Carnival Company Opens To Large Crowds

For the fourth consecutive time the
Littlejohn Carnival Company is playing
to large and pleased audiences in this
city. They arrived last Monday and
have pitched their shows on Richmond
street near the railroad crossing. This
company comes under the auspices of
the local lodge of Odd Fellows and it
can be truthfully said that they carry
the cleanest and the best Carnival out-
fit on the road. The music this year
is unusually good, having two brass
bands, which give concerts on the
street every evening and afternoon.
Professor Rocco Grella, so well and
favorably known here, is still with this
company and the music he furnishes
this year is even better than ever be-
fore. All the attractions are free from
anything that would offend and merits
the patronage of the entire public.

PAINT LICK

PUTS BIG POT IN LITTLE ONE

And Entertains Fourth Of July Patriots.

Most of Garrard county, all of Lan-
caster and a good portion of Madison
county assembled at Paint Lick last
Monday and were royally entertained
by the good people of this thriving and
enterprising little city. Every form
of amusement was to be had and there
was entertainment for the young as
well as the old. Every citizen of Paint
Lick seemed to have been a committee
of one to see that every one was shown
a good time, and that this was success-
ful in every way is attested by the fact
that the two thousand people who were
so fortunate to have been there, will
corroborate. The Danville brass band
rendered some patriotic airs and Paul's
Carnival shows drew large crowds to
every performance. Many speakers of
prominence were on hand, loaded with
patriotic talks and each held the at-
tention of the crowd for two hours in
the morning and about two hours in
the afternoon. Among those who
spoke, were, Judge Charles Hardin,
Hon. C. C. Fox, Judge Rodes Shack-
leford, H. Clay Kauffman, Emmet Pur-
year, J. I. Hamilton and others, all of
whom were listened to with the keenest
interest and at times the crowd was
stirred to a high pitch of patriotic en-
thusiasm. A bountiful and sumptuous
dinner was served on the ground, by
the good people of and near Paint
Lick, all of which was thoroughly
enjoyed by the out-of-town guests.
A ball game between White Station
and Paint Lick in the afternoon was
witnessed by a large crowd, which re-
sulted in a score of 14 to 4 in favor of
White Station.

BUMPER CROWD

Sees Close Of Auto and Pony Contest.

The Ford runabout advertised to be
given away last Saturday as well as the
second prize in the Pony contest,
brought one of the largest, if not the
largest, crowd ever seen in Lancaster.
The public square was literally jammed
with people and long before the hour
announced for the drawing, every road
leading into Lancaster was lined with
buggies, automobiles, wagons and foot-
men. The second prize in the Pony
contest was announced first and the
winner of this prize, which was a
beautiful shetland pony, proved to be
Miss Pearl Crutchfield, daughter of
Mr. and Mrs. H. G. Crutchfield, of this
city. Miss Pearl and her friends have
worked faithfully for this prize and
undaunted by her failure to win the
first prize, she never for a moment lost
hope of winning the second, and she as
well as her friends are proud of her
victory. She is very happy and asks
the Record to thank those who worked
so faithfully in her interest.

The drawing for the Automobile
came off promptly at three o'clock.
Little Eugenia Dunlap was selected to
draw the numbers and after the stubs
were thoroughly mixed, she being
blindfolded, was asked to draw one.
The number drawn to be awarded the
machine. The first number drawn was
"7291" and was held by Mr. R. L.
Burton, who was present and the ma-
chine was awarded him. Mr. Burton
was already the owner of a handsome
touring car and he immediately sold the
one drawn to the highest bidder, who
proved to be Mr. Dave Sanders, for
\$285. Ten other prizes were awarded
to the value of \$5.00 each and were
given by the ten enterprising merchants
as consolation prizes. While many
were disappointed in not getting the
machine, yet everybody was happy and
the crowd was in the best of humor
during the entire drawing.
